John Mason**To the "Dry" Men and Women of St. Francois County:—**

We are engaged, as you know, in a fight to rid our county of the legalized liquor business, and to stop the sale of the stuff within our borders.

The saloon, the wine room, the wholesale beer house, is a parasite. It adds nothing to the value of the city; it takes money that should go to the honest merchant and the care of the family and leaves the merchant a lot of bad accounts and the family to go on charity. It ruins the home; robs society; increases our criminal cost; sends many to jail, to the asylum, to the poorhouse, to the penitentiary and to the gallows.

The voters of St. Francois county must decide at the polls on July 17th whether they will allow this to go on in the county.

Things you MUST do:

1. ORGANIZE. You must organize every precinct. Nothing can be done without an organization. It's the only way to fight this battle. The liquor bunch are busy doing it, and so must you.

2. Make arrangements to attend every meeting called for your precinct. Become a booster from the jump. Don't lag behind. Don't be a can't follower.

3. Begin now to arrange your business so you can give your time and attention to this fight. This is the biggest thing going in St. Francois county now. Whatever else may be done, this must be attended to.

4. The women must organize, and be ready to do whatever they are called upon to do—distribute literature, place banners in the windows, and talk and keep the pot boiling and the fire hot until election day.

No use crying and getting excited after the meeting is over, if the wets beat you. This is no pink tea, or Fourth of July picnic. It's a fight to the finish, and it will take every man and woman to lick this liquor bunch.

We are depending on YOU.

ST. FRANCOIS COUNTY CIVIC LEAGUE.Geo. Steel, President.

Business Man Praises Dr. Miles' Heart Remedy

Successful Merchant After Investigation Found a Remedy That Restored His Health.

"This is Thanksgiving day in the state of Pennsylvania, and I want to devote a part of it in writing a letter to you. On the 28th day of November, 1910, I was stricken with heart trouble. My family physician called it Angina Pectoris. I had from one to five attacks in 24 hours. In the latter part of December, 1910, I wrote to the Miles Medical Co., for information concerning my case, and in reply I received a very kind and instructive letter, which I handed to my family doctor, and he told me to use your Remedy in connection with the medicine he gave me, so I did. I used five bottles of Dr. Miles' Heart Remedy and seven bottles of Dr. Miles' Nerveine. I was confined to the house for about four months. The action of my heart is now, and has been, normal for the last six months. I can truly recommend Dr. Miles' Nerveine and Heart Remedy to do what they are intended for, if used according to directions. I thank you kindly for your advice in answer to my monthly reports. I am now sixty-seven years of age, have been in the mercantile business for thirty-five years and lived retired for the last thirteen years."

LIVE STOCK MARKET

The hog market, thanks to a rather generous demand, was active and strong to day on a supply of 7500 head. This was especially the case toward the middle of the trade when packers competed in dandy manner for the good swine, they paying up to \$7.00. The top of the market was \$7.52 1-2 and the bulk of the good hogs brought \$6.50 to \$7.32. Rough hogs \$6.55 to \$7.10; pigs 110 to 130 pounds \$7.25 to \$7.75, with the light pigs at \$6.50 to \$7.25.

The cattle trade, likewise, was good. Receipts of 4500 included a moderate number of native cattle and for the available supply, both packers and butchers gave good support with the result that all grades of killing stuff shows an advance of 10c over last week's close. The steer and feeder trade is active and strong.

There were 4000 sheep and lambs here today. Steady prices governed the trade for lambs early but at the finish packers boosted the market 10c to 15c, paying \$9.50 for prime kids. Bulk sold at \$9.75 with a light lot. Fat sheep were steady; top \$5. Choice black face breeding ewes selling at \$5.50 to \$6; chopper sheep \$1.00 to \$4.50; canners \$3.50 to \$3.80, and bucks at \$4.00.

Years vary truly.
